

## Refresh to the Best

### Save Up to \$625 with the 2015 Honeywell Printer Trade-In Program

Relying on slow and outdated printing technology could compromise your operations. But even if you aren't risking immediate downtime, consider the day-to-day benefits of deploying the smartest industrial printers on the market:

- Easy setup and integration, regardless of your current printer environment
- Intuitive interfaces utilizing full-color touchscreens or intelligent icon interfaces
- Fast print speeds of up to 12 inches per second – no more 'waiting around' for labels
- Simple maintenance, with tool-free media and printhead replacement
- Smart Printing means you can run apps right inside the printer and even control peripherals—no need for an attached PC

For a limited time, refresh to the best thermal printers and save up to \$625 when you trade in your old printer—even competitive models—and purchase an eligible Honeywell printer. Take your savings even further by adding genuine Honeywell Media and Medallion® service.

## *Promotion Rules & Regulations*

- Purchase must be completed between December 1, 2014, and December 31, 2015.
- Rebate claims must be submitted no later than 30 days after the purchase of a qualified Honeywell printer.
- This offer is valid for qualifying purchases of Honeywell equipment by end users.
- This offer is limited to end users in the U.S.A. and Canada.
- Not valid with any other offer. This promotion may not be combined with any other special pricing (price exception or rebate) that has been offered directly to an end user or to/through a reseller partner.
- Honeywell will accept rebate submission for a maximum of fifty (50) units per end user during the program period.
- This rebate is valid for new product purchased and trade-in printers shipped (freight prepaid) within 30-days of invoice for the new equipment. Your rebate amount will be determined by the number of eligible units traded-in and the corresponding number of eligible new units purchased (a 1:1 ratio of like products).
- Trade-in units must be in working condition and must include all accessories when received at the Honeywell Processing Center; rebate will not apply for non-working units. Handwritten invoices or sales history receipts will not be accepted as proof of purchase. Honeywell and its agents have the right to substantiate sales receipts and serial numbers. Only one claim per qualified Honeywell equipment purchased.
- Allow six to eight weeks for rebate check from time that trade-in product is received by Honeywell. Rebate payable in U.S. dollars only. Claims that do not comply with the terms of this offer will be rejected. Honeywell is not responsible for lost, stolen, or misdirected submissions. Rebate checks are void if not cashed within 90 days of issuance and cannot be reissued. Honeywell reserves the right to change specifications of this promotion at any time without prior notice.
